Dear Ms. Hernaez:

I hope this letter finds you in good health and high spirits. My name is Lhorenz Sermonia, and I am writing to express my sincere interest in joining Mapúa University as a freshman student. I heard about Mapúa through a family friend that is currently studying Multimedia Arts in Mapúa. I am truly passionate about the creative field, particularly Digital Arts, and I believe Mapúa's program and renowned faculty can provide me with the perfect foundation to further cultivate my skills and knowledge.

Ever since I discovered the world of digital art, I have been captivated with its ability to bring imagination to life through strokes and colors, and have always been motivated to pursue it as my career goal. Over the years, I have dedicated countless hours honing my skills, experimenting with various techniques, and different artistic styles. While I primarily focus on digital arts, I understand the importance of building a well-rounded character. I have also dabbled in other creative fields such as graphic design, animation, music, and multimedia production. These experiences have broadened my perspective and allowed me to develop a strong foundation in the creative field.

I have attached the documents that are required. I look forward to the possibility of joining the Mapúa University family and embarking on this exciting educational journey.

Yours sincerely,

LHORENZ ERNEST P. SERMONIA
